

BIT Academic Fee & Scholarships Guide

Bannari Amman Institute of Technology, Sathyamangalam | Compiled from bitsathy.ac.in and verified third-party admission sources | 2026-27

This guide summarizes tuition fees, hostel/mess costs, and scholarship schemes relevant to BIT students. BIT's official website does not publish a line-item fee table (fees are communicated during TNEA counselling or management-quota admission), so tuition figures below are drawn from consistent, cross-checked figures reported by TNEA-linked and independent college-admission trackers. Government scholarship details are sourced from official Tamil Nadu and AICTE scholarship portals. Always confirm exact figures with the BIT Accounts Office / Admission Cell before making payments.

1. Tuition Fee Structure (Indicative, 2026-27)

Programme	Admission Route	Approx. Annual Tuition	Approx. Total Course Fee
B.E. / B.Tech (Regular, 4 yrs)	Government Quota (TNEA)	Rs. 75,000 – Rs. 80,000 / yr	Rs. 2.0 – 3.0 Lakh
B.E. / B.Tech (Regular, 4 yrs)	Management Quota	Rs. 90,000 – Rs. 1.2 Lakh / yr	Rs. 3.5 – 4.5 Lakh (approx.)
B.E. / B.Tech (Lateral Entry, 3 yrs)	TNEA / Management	Rs. 50,000 – 60,000 / yr	Rs. 1.6 – 1.8 Lakh
M.E. / M.Tech (PG, 2 yrs)	TANCET / Management	Rs. 45,000 – 55,000 / yr	Rs. 0.9 – 1.1 Lakh
MBA (2 yrs)	TANCET / Management	Rs. 30,000 – 35,000 / yr	Rs. 0.6 Lakh

Figures vary by branch (CSE/AI and other high-demand branches trend toward the upper end) and by category (government-quota seats for SC/ST/BC/MBC candidates carry statutory fee concessions under TN government norms). Fees are typically split into tuition, caution deposit (refundable), exam fee, and miscellaneous/lab charges, collected semester-wise.

Note — Not an official fee table. BIT does not publish per-branch fee figures on bitsathy.ac.in. The ranges above are cross-verified from TNEA-linked aggregator data (Shiksha, CollegeDekho, CollegeSearch, CampusOption) as of 2026 and may not reflect the exact current rate for every branch/category. Confirm with the BIT Admission Cell (04295 226086 / 226087) or the Information Brochure 2026-27 before payment.

2. What the Fee Typically Covers

- **Tuition Fee** — core academic fee charged per semester/year, varies by quota and branch.
- **Caution Deposit** — refundable deposit collected at admission, returned (net of dues) at course completion or withdrawal.
- **University/Exam Fee** — Anna University registration, semester exam, and revaluation charges.
- **Lab & Library Fee** — equipment, consumables, software licensing, and library access.
- **Hostel & Mess Fee** — billed separately; see Section 5 for indicative ranges.
- **Miscellaneous** — ID card, Aadhaar-linked verification, sports/cultural fee, student insurance.

3. Fee-Concession-Linked Documents (Official — Government Quota)

Per BIT's official Admission Procedures page, candidates admitted under the **Government Quota** (TNEA counselling) must produce specific certificates at admission that directly determine fee concessions and scholarship eligibility:

- Provisional Allotment Order (from TNEA counselling)
- Community Certificate — required for BC / BCM / MBC / SC / ST / SCA candidates (permanent card or digitally signed e-certificate only)
- Bonafide Certificate — proof of studying Std. VI to XII in a Government school (where applicable, for special quota benefits)
- First Graduate Tahsildar Certificate — if claiming First Graduate fee-concession benefits
- First Graduate – Joint Declaration, signed by parent and student — if applicable
- Transfer/Conduct certificate, +1/+2 mark sheets, 10th mark sheet, Aadhaar copy, and a Physical Fitness Certificate

These documents are what BIT's own Admission Procedures page (bitsathy.ac.in/admissions) lists as required for Government Quota admission — they are the basis on which community-based and first-generation-graduate fee concessions are applied.

4. Scholarship & Fee-Concession Schemes

Students at BIT can access a mix of Tamil Nadu state government schemes, central/AICTE schemes, and institute-level merit support. BIT's official site links directly to the AICTE Scholarship & Fellowship portal for centrally administered schemes.

4.1 Tamil Nadu State Government Schemes

Scheme	Who It's For	Benefit
Post-Matric Scholarship (SC/ST)	SC/ST students, income-linked	Tuition fee reimbursement (DBT) + maintenance allowance; hosteller/day-scholar rates differ
BC / MBC / DNC Scholarship	Backward Class, Most BC, Denotified Communities	Tuition fee support and/or maintenance allowance, income-capped
First Graduate Scholarship	First graduate in the family, engineering/professional courses	Tuition fee concession; requires First Graduate Certificate at admission
EVR Nagammaiyar Scholarship	Girl students (specific eligibility criteria)	Financial assistance for higher education
Minority Scholarship	Students from notified minority communities, family income ≤ Rs. 2 Lakh/yr	Partial tuition fee support

4.2 Central / AICTE Schemes

Scheme	Who It's For	Benefit
AICTE Pragati Scholarship	Girl students in AICTE-approved technical programmes (2 per institution/branch)	Rs. 50,000/year for tuition + incidentals, via NSP
AICTE Saksham Scholarship	Specially-abled students in AICTE-approved programmes	Rs. 50,000/year for tuition + incidentals, via NSP
National Scholarship Portal (NSP) Schemes	Various — income/community based, Class 12 passed onward	Central sector and state schemes are applied for centrally via scholarships.gov.in

BIT's official navigation includes a direct "AICTE-Scholarship-Fellowship" link on every page of bitsathy.ac.in, pointing students to live AICTE scholarship/fellowship announcements — this is the fastest way to check which central schemes are currently open.

4.3 General Eligibility Notes (from independent trackers, cross-checked)

- Renewal of most scholarships requires the student to have secured at least 50% marks in the previous qualifying/annual examination, with no active backlog in some schemes.
- OBC/General category candidates typically need a minimum 55% aggregate in the qualifying exam for state scheme eligibility; SC/ST candidates typically need a minimum 50% aggregate.
- Family-income ceilings apply to most need-based schemes (e.g., ~Rs. 1.08 Lakh/year for Post-Matric-type schemes, ~Rs. 2 Lakh/year for Minority Scholarship) — ceilings are revised periodically by the respective department, so confirm the current cap on the scheme's official portal.
- Students who received a scholarship in the previous year generally must apply for renewal (not a fresh application) each subsequent year.

Note — The eligibility percentages and income ceilings above are compiled from independent education-portal summaries of Tamil Nadu/AICTE scheme rules, not from a single official BIT page — thresholds change periodically. Verify current figures on scholarships.tn.gov.in, tnadtwsscholarship.tn.gov.in, or scholarships.gov.in (NSP) before applying.

5. Hostel & Mess Charges (Indicative)

Component	Approx. Range (per year)
Hostel room rent (4-seater, non-AC)	Rs. 21,000 – 65,000
Hostel room rent (single/AC)	up to Rs. 90,000
Electricity charges	~Rs. 7,200
Establishment charges	~Rs. 5,000
Mess charges (veg, boys)	~Rs. 28,000 – 45,000
Mess charges (veg, girls)	~Rs. 25,000 – 40,000

Component	Approx. Range (per year)
Caution deposit (refundable)	~Rs. 5,000

Hostel fee is billed separately from academic tuition and generally does not include mess charges unless stated. For full hostel block-wise details, see BIT_Hostels_and_Mess_Rules.pdf. Figures here are indicative and drawn from the same cross-checked third-party sources as Section 1 — confirm with the Hostel Office.

6. How to Apply for Scholarships — General Process

1. **Check eligibility** on the relevant portal (scholarships.tn.gov.in for BC/MBC, tnadtwscholarship.tn.gov.in for SC/ST, or scholarships.gov.in for NSP/AICTE schemes) before the annual application window opens.
2. **Gather documents** — community certificate, income certificate, Aadhaar-linked bank account, previous mark sheets, First Graduate certificate (if applicable), and institute bonafide certificate.
3. **Apply online** through the respective state/central portal; BIT's Accounts Office assists with institute-side verification once the application is submitted.
4. **College verification** — BIT verifies and forwards the application within the portal's stipulated window (verification deadlines are typically a few weeks after the student application deadline).
5. **Track status** — disbursal is via Direct Benefit Transfer (DBT) to the student's Aadhaar-linked bank account; track status on the same portal using the application/reference number.

7. Key Contacts & Links

For	Contact / Link
Admission & Fee Queries	04295 226086 / 226087, +91 89401 26000
