1. About BIT Sathy

Bannari Amman Institute of Technology (BIT Sathy) is an Autonomous, Self-financing Engineering College approved by AICTE, New Delhi, and affiliated to Anna University, Chennai. The institute was founded in 1996 by the Bannari Amman Group and is located on the banks of the River Bhavani in Sathyamangalam, Erode District, Tamil Nadu, on a campus spanning approximately 181 acres.

The institute is accredited by NAAC (A+ grade) and has NBA accreditation for several of its programmes. It offers undergraduate (B.E./B.Tech.), postgraduate (M.E./M.Tech./MBA) and doctoral (Ph.D.) programmes across engineering, technology and management disciplines.

Category	Detail
Established	1996
Affiliation	Anna University, Chennai
Approval	AICTE, New Delhi
Accreditation	NAAC A+ ; NBA (select programmes)
Institution Type	Autonomous, Self-financing
Counselling Code	2702

2. Programmes Offered

2.1 Undergraduate (B.E. / B.Tech.)

- Agricultural Engineering (B.Tech.)
- Artificial Intelligence and Data Science (B.Tech.)
- Artificial Intelligence and Machine Learning (B.Tech.)
- Biotechnology (B.Tech.)
- Information Technology (B.Tech.)
- Computer Science and Design (B.E.)
- Computer Science and Engineering (B.E.)
- Computer Science and Business Systems (B.Tech.)
- Electrical and Electronics Engineering (B.E.)
- Electronics and Communication Engineering (B.E.)
- Electronics and Instrumentation Engineering (B.E.)
- Information Science and Engineering (B.E.)
- Mechanical Engineering (B.E.)
- Mechatronics Engineering (B.E.)
- Biomedical Engineering (B.E.)
- Civil Engineering (B.E.)

Note: The exact list of active branches and intake can vary slightly year to year. The above is compiled from the official "Programmes Offered" and "B.E./B.Tech. Regulations" pages; confirm current-year availability and seat matrix on the college's admission portal or brochure.

2.2 Postgraduate (M.E. / M.Tech.)

- M.E. – Computer Science and Engineering
- M.E. – VLSI Design
- M.E. – Industrial Safety Engineering

2.3 Management & Doctoral

- MBA – Master of Business Administration
- Ph.D. – across engineering, sciences and management disciplines

3. Eligibility & Selection Process

3.1 B.E. / B.Tech. (First Year / Regular Admission)

Candidates should have passed the Higher Secondary Examination (10+2) or an equivalent examination with Physics, Chemistry and Mathematics as compulsory subjects, securing at least 45% aggregate marks in these subjects (40% for candidates belonging to reserved categories, as per Tamil Nadu norms). Two principal admission routes operate in parallel:

Route	Basis of Selection
Government Quota	Tamil Nadu Engineering Admissions (TNEA) counselling, conducted by the Directorate of Technical Education (DoTE), based on Class XII marks. Counselling Code: 2702.
Management Quota	Direct application to the institute; JEE Main score is also referenced by the institute for certain seats/programmes.

Reported TNEA cutoff ranges for recent years have varied roughly between 180–200 marks (out of 200) depending on branch, with Computer Science / AI-related branches at the higher end. These figures fluctuate every year and should be checked against the current year's official TNEA cutoff data.

3.2 B.E. / B.Tech. Lateral Entry

Open to Diploma holders (relevant engineering discipline) or B.Sc. graduates meeting Anna University's lateral-entry eligibility norms, admitted directly into the second year. Selection again follows Government Quota (via DoTE Lateral Entry counselling) and Management Quota (direct) routes.

3.3 M.E. / M.Tech.

Candidates should hold a relevant B.E./B.Tech. degree. Admission is based on a valid GATE score combined with institutional/state-level PG counselling; candidates without a GATE score may be considered under the management quota subject to eligibility norms.

3.4 MBA

Requires a valid TANCET score, followed by Group Discussion and Personal Interview rounds conducted by the institute as part of final selection.

3.5 Ph.D.

Requires a valid national-level entrance test score (e.g., UGC-NET, GATE) or a pass in the institute's own written entrance test, followed by an interview conducted by the institute's Research Advisory Board / departmental committee.

4. Documents Required at the Time of Admission

Candidates are advised to retain the required number of photocopies of all certificates, since original certificates are typically retained by the college for a period after admission. Document requirements differ slightly by quota (Government / Management) and by programme level.

4.1 B.E. / B.Tech. – Management Quota

- Community Certificate (permanent card or digitally signed e-Certificate only)
- Transfer / Conduct Certificate
- +2 and +1 (or equivalent) mark sheets
- 10th standard mark sheet
- One passport-size photograph of the student
- Physical Fitness Certificate from a registered medical practitioner
- Photocopy of the student's Aadhaar card

4.2 B.E. / B.Tech. – Government Quota (TNEA)

- Provisional Allotment Order (from TNEA counselling)
- Community Certificate for BC / BCM / MBC / SC / ST / SCA candidates (permanent card or digitally signed e-Certificate only)
- Transfer / Conduct Certificate
- +2 and +1 (or equivalent) mark sheets
- 10th standard mark sheet
- Bonafide Certificate proving study from Class VI to XII in a Government School (if applicable)
- First Graduate – Tahsildar Certificate (if applicable)
- First Graduate – Joint Declaration signed by parent and student (if applicable)
- One passport-size photograph of the student
- Physical Fitness Certificate from a registered medical practitioner
- Photocopy of the student's Aadhaar card

Order of arrangement (Government Quota): Provisional Allotment Order → Community Certificate → Transfer/Conduct Certificate → +2 & +1 mark sheets → SSLC/10th mark sheet → First Graduate Tahsildar Certificate → First Graduate Joint Declaration → Physical Fitness Certificate → Aadhaar photocopy → one full photocopy set of all documents.

4.3 Lateral Entry (B.E./B.Tech.)

Same broad structure as above, with +2, +1 and Diploma (or equivalent) mark sheets required in place of standalone +2/+1 mark sheets, under both Management and Government quotas.

4.4 M.E./M.Tech./MBA

Similar document sets apply, additionally requiring UG and Diploma (where applicable) mark sheets alongside +1, +2 and 10th mark sheets, under both Management and Government quota pathways.

Official downloadable formats: Physical Fitness Certificate template is provided by the college via its admissions page. Programme-specific “Qualifying Examinations and Eligibility” brochures (UG, Lateral Entry, PG) are also published as downloadable PDFs on the same page.

5. Fee Overview (Indicative)

Detailed, category-wise fee structures are published in the college's Information Brochure and are subject to annual revision. Based on recently published third-party admission data (not the college's own fee circular), indicative total programme costs are as follows. These figures are approximate and must be verified against the official brochure before relying on them for financial planning.

Programme	Approx. Total / Annual Fee (Indicative)
B.E. / B.Tech. (4 years, all specializations)	approx. Rs. 2.8 - 3.0 lakh (total programme fee)
MBA	approx. Rs. 70,000 (reported, verify current figure)
M.E. / M.Tech.	Varies by specialization — refer to brochure
Ph.D.	Varies by category (full-time / part-time) — refer to brochure

A separate, more detailed document — “BIT Academic Fee and Scholarships” — covers scholarship schemes (including AICTE scholarship/fellowship links published by the college) and category-wise concessions where publicly available.

6. How to Apply

- 1 Visit the official website: www.bitsathy.ac.in
- 2 For Government Quota seats: register for JEE Main (where applicable) and complete Tamil Nadu Engineering Admissions (TNEA) counselling on tneonline.org using the institute's Counselling Code 2702.
- 3 For Management Quota seats: submit the Admission Enquiry form directly on the BIT website (www.bitsathy.ac.in/admission-enquiry) or contact the admissions office directly.
- 4 For M.E./M.Tech.: apply with a valid GATE score through the relevant PG counselling process, or apply directly to the institute for management quota consideration.
- 5 For MBA: apply with a valid TANCET score; shortlisted candidates attend Group Discussion and Personal Interview rounds at the institute.
- 6 For Ph.D.: apply directly to the institute with a qualifying entrance score or appear for the institute's own entrance test, followed by an interview.
- 7 Download the Information Brochure 2026–2027 from the college website for full, current-year details before applying.
